

# The Student Creed

I intend to develop myself in a \_\_\_\_\_  
manner, and to avoid anything that would reduce  
my mental growth or my \_\_\_\_\_.

I intend to develop \_\_\_\_-\_\_\_\_\_ in order to  
bring out the best in myself and others.

I intend to use what I learn in class \_\_\_\_\_  
and \_\_\_\_\_, to help myself and my fellow  
man, and never to be \_\_\_\_\_ or  
\_\_\_\_\_.

I'm on a quest to be my best!
